### Spelling Power Student Record Books

With *Spelling Power*, you use two different forms daily and others on a level-by-level basis. Use of these forms is integral to the effectiveness of the Spelling Power program. The color of the Record Books indicates the size of line-spacing. Each book has all the forms needed to complete one level of *Spelling Power*. Parents love these because they save time, money and make record keeping a breeze!

**Price Change: ... Now \$7.95 each**

### Spelling Power Activity Task Cards

*Spelling Power Activity Task Cards* provide 365 ways to make spelling easy-to-teach and easy-to-learn. Used during the five minute "activity time," the handy Teacher's Guide can help you virtually eliminate lesson planning while you help your student master spelling words and strengthen language arts skills. The *Activity Task Cards* box covers interest and ability levels ranging from eight years old to adult level. Each instructional activity requires just five to ten minutes for students to complete on their own.

**Price Change: ..... Now \$32.95**

### Product Change Alert!

*Adams-Gordon's Spelling Power* manuals no longer include the *Teacher's Resource CD-ROM*. These Resources are now provided on an *On-line Teacher's Resource Site*. This makes this information accessible by users of both PC and MAC computers. Instructions on accessing the resources are found in all new (since 2015) press runs of 4th Edition manuals. The DVD Quick Start Video is still included with the manual. Please change your catalog and advertising copy to reflect this change. Sample catalog copy and product images are available free of charge at [www.spellingpower.com/dealer](http://www.spellingpower.com/dealer).
