Student Record Books Save You Lesson Prep Time

With *Spelling Power*, you use two different forms daily and others on a level-by-level basis. These forms are integral to the program and are printed in light blue ink so the student's own handwriting stands out. *Student Record Books* include enough Daily Test and 10-Step forms for the average student to master a level. In addition they include the Survey, Placement, Delayed Recall, and End of Level Tests. *Student Record Books* are handy and cost effective. The average student studying spelling four days a week will generally use two *Student Record Books* in a school year.

How to Select the Right Student Record Book

The *Student Record Books* are available in three sizes of lines. To find out which line size your student needs, have your student write several sentences in normal handwriting on an unlined sheet of paper. Then compare the handwriting size with the line spacing samples on the line spacing page at SpellingPower.com.
